

## 2001 Volvo V70 XC AWD L5-2.4L Turbo VIN 58 B5244T3

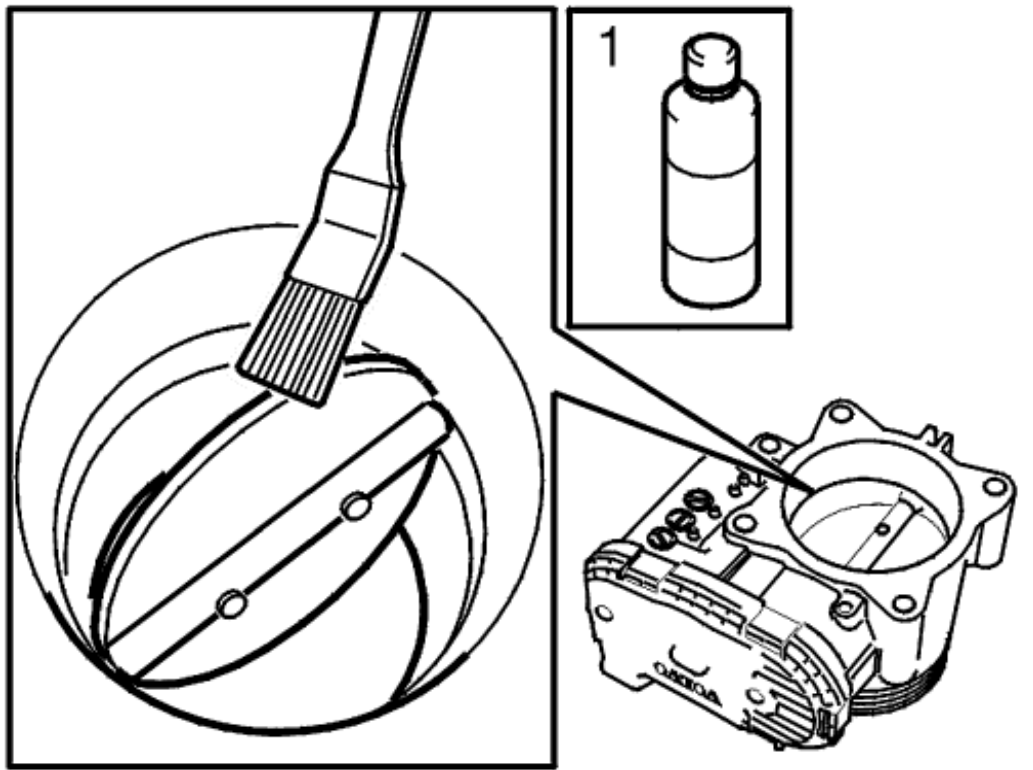

### Throttle Body (TB), Cleaning

### Intake And Exhaust Manifold

### Throttle Body (TB), Cleaning

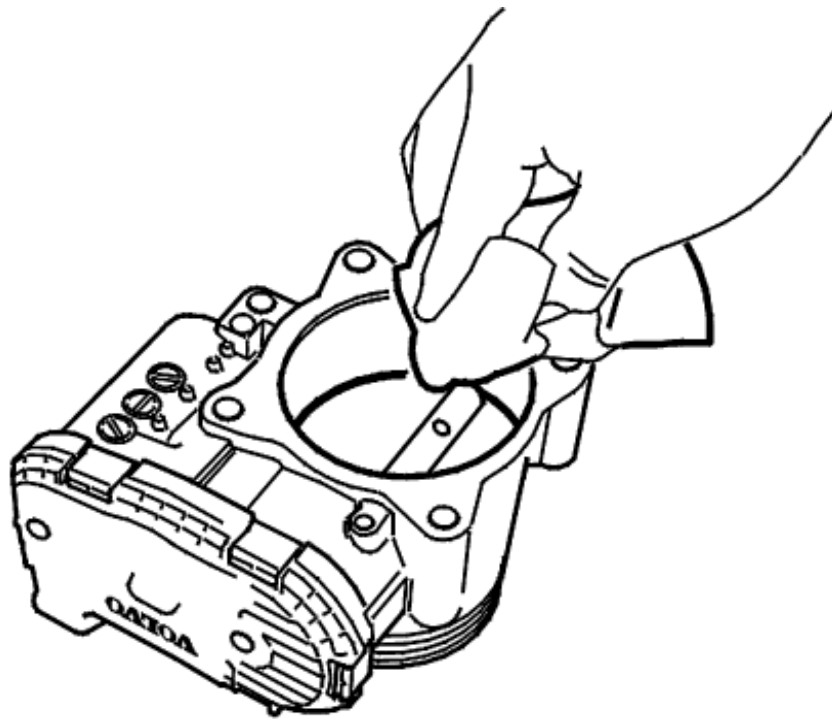

Remove the throttle unit.

### Cleaning The Throttle Unit

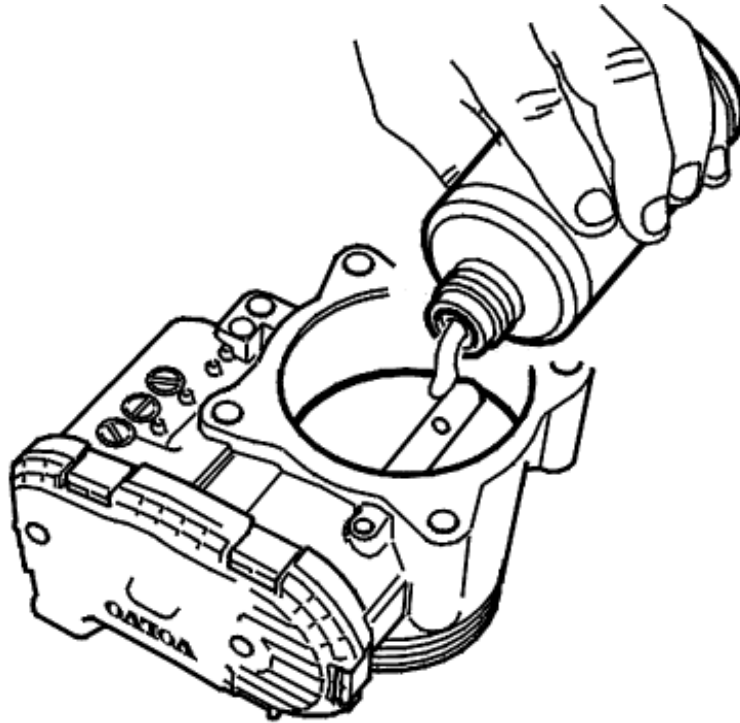

**WARNING:** Use a fume hood or ensure that ventilation is good.

Clean the throttle unit using cleaner 116 1436-9 and a brush. Ensure that all deposits are removed from the surfaces.

Carefully wipe the inside of the air duct clean on both sides of the throttle disc. Wipe clean the edge of the throttle disc.

#### Flushing And Checking The Throttle Unit

---

Flush the throttle unit using cleaner H on both sides of the throttle.

Check that there are no deposits remaining on the air duct or on the throttle disc. Any remaining deposits can cause a new build up of deposits.

Clean again if necessary.

Install the Throttle Unit.
